Bunge Limited Completes Closings of Moema Transaction

WHITE PLAINS, N.Y., February 11, 2010 – Bunge Limited (“Bunge”) (NYSE: BG) today announced that it has completed the remaining closings of the Moema transaction. Bunge now owns 100% of five of the mills comprising the Moema Group (Moema, Frutal, Ouroeste, Guariroba and Itapagipe), with a total annual sugarcane milling capacity of 13.7 million metric tons. As previously announced, Bunge will not assume any ownership interest in the sixth mill, Vertente.

In total, Bunge has issued 9,718,632 common shares in relation to the Moema transaction, representing, together with the cash payments made at closing to certain minority shareholders for their interests, approximately 90% of the base purchase price for the transaction. The final number of shares to be issued to the sellers is subject to post-closing adjustments based upon the net debt and working capital of the mills as of the closings.

Bunge has agreed to file a registration statement for the common shares of Bunge Limited issued in these transactions which will allow the shareholders receiving these shares to resell them from time to time. In addition, these shareholders have agreed, during the 18-month period after the closing, to certain volume and other restrictions with respect to sales of their common shares.

About Bunge Limited

Bunge Limited (www.bunge.com, NYSE: BG) is a leading global agribusiness and food company founded in 1818 and headquartered in White Plains, New York. Bunge’s 25,000 employees in over 30 countries enhance lives by improving the global agribusiness and food production chain. The company supplies fertilizer to farmers; originates, transports and processes oilseeds, grains and other agricultural commodities; produces food products for commercial customers and consumers; and supplies raw materials and services to the biofuels industry.

Cautionary Statement Concerning Forward-Looking Statements

This press release contains both historical and forward-looking statements. All statements, other than statements of historical fact are, or may be deemed to be, forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are not based on historical facts, but rather reflect our current expectations and projections about our future results, performance, prospects and opportunities. We have tried to identify these forward-looking statements by using words including "may," "will," "should," "could," "expect," "anticipate," "believe," "plan," "intend," "estimate," "continue" and similar expressions. These forward-looking statements are subject to a number of risks, uncertainties and other factors that could cause our actual results, performance, prospects or opportunities to differ materially from those expressed in, or implied by, these forward-looking statements. The following important factors, among others, could affect our business and financial performance: industry conditions, including fluctuations in supply, demand and prices for agricultural commodities and other raw materials and products used in our business, fluctuations in energy and freight costs and competitive developments in our industries; the effects of weather conditions and the outbreak of crop and animal disease on our business; global and regional agricultural, economic, financial and commodities market, political, social and health conditions; the outcome of pending regulatory and legal proceedings; our ability to complete, integrate and benefit from acquisitions, including the transactions discussed herein, dispositions, joint ventures and strategic alliances; changes in government policies, laws and regulations affecting our business, including agricultural and trade policies, tax regulations and biofuels legislation; and other factors affecting our business generally. The forward-looking statements included in this release are made only as of the date of this release, and except as otherwise required by federal securities law, we do not have any obligation to publicly update or revise any forward-looking statements to reflect subsequent events or circumstances.
